Directions: Library is near 694 and Lexington. Victoria going north from 694 does **not** go through to Hwy 96 which is what you want. So better to take Lexington north to 96 and then 96 east to Victoria. So advised my now new librarian friend Eileen at the Shoreview branch.

We have the "Community Program Room" from 10:00 to 4:00. The library opens at 10:00. The room seats 16 when in Conference style setup. Sounds perfect to me. We can bring in our own coffee if we like because Eileen said their carpet is now 10 years old, so they don't worry so much anymore. Also as a lunch possibility there are many places nearby including a Taste of Scandinavia (sounds fitting) about a mile away.
