## French Creek, W.Va. 26218 February 2, 1984

Dear Friends and Cousins,

Some of you received a letter from me ayear or two ago asking for contributions for the upkeep of the Slab Camp Graveyard. I seem to have failed to make it clear that these funds were for an endowment and not for immediate disbursement. Many of you were generous and we have a CD for \$1000, the interest from which was used for the upkeep last summer. (Prior to that I had paid all the bills myself.)

Last October my brother Edward and I made a complete list of the markers in the graveyard together with the dates, etc. We found that many of the stones must be reset or otherwise repaired.

Also, it is our hope to at least double the amount we can invest. If you feel that you can contribute more, or, if you haven't contributed at all, please send your contribution to

Mr. William A. Young, Cashier Central National Bank Buckhannon, West Virginia 26201

Mark for the Slab Camp Graveyard.

I am e closing the revised list of graves that are marked.

With best wishes.

Virginia Bly Hoover
