

## Limericks with a Norwegian Twist

By Jon Satrum

### KRUMKAKE

We looked far and yonder  
To find a skilled Trønder  
Whose delicious krumkake  
Bring people tilbake  
For a taste of which they've grown fonder

### RØMMEGRØT

ENGLISH VERSION

Where oh where could we put  
A batch of failed rømmegrot  
Smelling terribly funny  
Looking suspiciously runny  
Solution - disposal chute

"NORGLISH" versjon  
(Norsk og engelsk ordene alt blandet opp)

Hvor oh hvor skal vi put  
vår dårlig rømmegrøt  
med en lukt ganske funny  
Og ser ganske runny  
Løsning - disposal chute
